

## Eufy Cam E – 2 Cam Kit

(1 Home base + 2 cams)

- **365-day Battery Life:** The 100% wire-free and IP65 weatherproof-rated camera is designed to run for 365 days (or 3 years in Standby Mode) per charge, indoors and out.
- **Full HD Surveillance:** 1080p resolution, combined with our exceptional night vision technology, ensures video is recorded with crystal-clear quality both day and night.
- **No Monthly Fees:** eufyCam E doesn't require any monthly fees to use, and comes with a 16GB microSD card that stores up to one-year's worth of recordings. (30s footage, 10 times per day per camera)
- **Easy Installation:** 3 easy ways to install: 1) Screw onto the Outdoor Mount, 2) Stick onto the Magnetic Mount, 3) Stick on metallic surfaces

Night Vision for Evening Monitoring
